### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David R. Cleveland (Reg. No. 29,524) on 8/31/2004.

The application has been amended as follows:

---

1-19. (cancelled).

30. (currently amended) A method according to claim 20 wherein a pick-and-place roll has a dimensionless roll size between 0.02 to 0.195, 0.225 to 0.28, 0.34 to 0.36, ~~and~~ or 0.44 to 0.48.

---

2. Claims 20-44 are allowed.

3. The following is an examiner's statement of reasons for allowance: Applicant's arguments, set-forth in the response filed 6/18/2004, have been fully considered and are persuasive. The closest prior art, as disclosed by the references of record, teach a so-called "endless" or "roll-to-roll" substrate, not the substrate of limited length as illustrated, for example, in applicant's Figs. 2 and 3. The prior art neither teaches nor suggests applicant's claimed method including a rotating support covered at least partially with a removable substrate of limited length.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to William P. Fletcher III whose telephone number is (571) 272-1419. The examiner can normally be reached on Monday through Friday, 9 AM to 5 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Shrive P. Beck can be reached on (571) 272-1415. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
